EDUCATION

Child & Youth Development
PreK-3 licensure

MILLIGAN

YOUR FUTURE

If you want to **teach** at the PreK-3 level in public or private schools **OR** serve in a **leadership position** in a child development center or church-related preschool, consider Milligan. In **18 -23 months** you can complete the Child and Youth Development major, and even opt to certify to teach PreK-3 with an additional semester of full-time student teaching. Classes meet only **one night per week**. And tuition is **affordable** and within your reach.

CURRICULUM

The major is in Child and Youth Development and can be completed in **18 months**. The curriculum includes courses in literacy, technology, assessment and intervention, psychology, teaching, administration, curriculum, media effects, and more. **Certification** to teach requires an additional full-time semester of student teaching, for a total of 23 months. Students must also complete the college's general education requirements, but often these have been completed in a student's prior coursework. We are happy to **review your transcript** and provide a **degree plan**.

PERSONAL ATTENTION

You'll progress through the program in **small classes**, giving you an opportunity to develop relationships, learn from diverse experiences and approaches, and benefit from a built-in support network. This also allows professors to interact closely with students for individual attention and supervision throughout the program. Milligan **faculty are role models and mentors**, and they will challenge you and stretch your mind and your spirit.

CHRISTIAN WORLDVIEW

Today's schools are challenged as never before. Now more than ever, children need teachers and leaders who are committed to excellence in the classroom and Christian principles. Educators prepared in such a way can make a **real difference** in the school and community where they live and serve. Our primary goal at Milligan is to prepare caring and reflective educators who will affect the lives of children in a markedly positive manner.

CLASSROOM EXPERIENCE

If you decide to pursue PreK-3 licensure, you'll get **extensive field experience** in teaching, assessment, and classroom management through a capstone course and semester-long student teaching experience in our community partner schools. You'll work directly with master teachers as mentors. You'll also complete a portfolio documenting mastery of program outcomes to **prepare you for board certification** by the National Board for Professional Teacher Standards (NBPTS).

CONVENIENCE

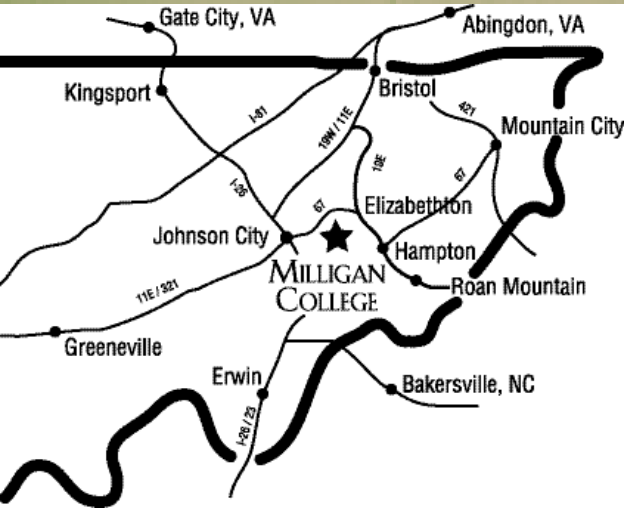

By scheduling classes only **one night per week**, our degree completion program allows you to work toward your degree even if you're working full-time. Campus resources, such as the bookstore, library, and computer labs, are available in the evening and parking is easy to find. We know that working full-time, caring for a family, and going to school can be hectic. Our **competent and friendly staff** are ready to help you with the administrative details of the program so you can focus on learning.

OUTSTANDING REPUTATION

Fully approved by the Tennessee Department of Education, Milligan's teacher education program is **accredited** by the National Council for Accreditation of Teacher Education (NCATE) (2010 Massachusetts Ave. NW, Washington, DC 20036; 202-466-7496). This accreditation covers initial teacher and advanced educator preparation programs. That means **your degree is instantly recognized** in Tennessee and throughout the nation for its quality. We take care great care in seeing you gain the knowledge, skills, and disposition needed for success as a professional educator.
