Conditions:

1. Milligan College students may use federal financial aid for summer school.
2. To qualify for federal student loans, you must enroll for at least 6 hours.
3. Please be aware that if you apply for financial aid for summer school and will be enrolled for Summer 2008, Fall 2008, and Spring 2009, the amount of federal financial aid that you receive for Summer will decrease your eligibility for Fall and Spring. Your federal financial aid will be disbursed equally in three disbursements (Summer, Fall and Spring). However, if you are graduating at the end of the Fall 2008 semester you will be awarded for two semesters during 2008-2009 (Summer and Fall).
4. If you are enrolled for only one Summer term, you will receive your funds during that term. If you are enrolled at least half-time for both terms, one-half of your financial aid will be disbursed at the beginning of each term. However, if you are not enrolled for at least 6 hours for the first term, your funds will not be disbursed until the second term.
5. We will verify your enrolled hours with the Registrar's Office before awarding and disbursing your financial aid.
