

HEALTHCARE

MILLIGAN

THERE IS A DIFFERENCE.

MILLIGAN HEALTHCARE

Milligan has long been a leader in training healthcare professionals. Superior training in the sciences and liberal arts combine to create leaders who are experts in their subject matter and compassionate and caring with patients and clients. Through classroom and hands-on lab experiences, research projects, clinical or internship opportunities, and online tools, you'll be prepared to successfully interpret, evaluate, and clearly communicate and care for others.

SUCCESSFUL GRADUATES

Our graduates are in-demand as practitioners and leaders in the health sector. Milligan has strong partnerships with several major medical centers, urban hospitals and clinics, community health centers, modern rural hospitals, primary care clinics, home health programs, and parish nursing programs at local churches.

FACULTY

Teaching you is more than a job to our faculty — it's a mission. They are dedicated teachers, experienced professionals, and trusted mentors who invest time, energy, and ideas to inspire you and help you reach your highest potential. It's not just a degree. It's your future.

AFFORDABLE & REPUTABLE

Tuition for these programs is competitive and financial aid is available. Milligan is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award bachelor's, master's, and doctoral degrees.

CHRISTIAN COLLEGE

Milligan is a Christian liberal arts college that encourages our students to be servant-leaders. Because of our emphasis on scholarship, community, and faith, students come from all over the world to experience our distinctively different approach to higher education.
