

**EDUCATION**

**MILLIGAN**

THERE **IS** A DIFFERENCE.

# MILLIGAN EDUCATION

At the heart of every enterprise is the legacy of a teacher. Great societies, earth-shaking discoveries, dramatic cures, cultural revolutions, transformational legislation — all ultimately result from the influence of our teachers and educational leaders. We are taught to dream, challenged to move beyond the obvious to consider the possibilities, and encouraged to see all of life as an adventure in learning. Our world needs transformative teachers and leaders in preK-12 education who are committed to educational quality and educational innovation. The world needs Milligan educators.

## PARTNERSHIPS & SUCCESS

Milligan values the close relationships it has nurtured with over a dozen area K-12 school systems through its teacher education program. Thousands of our graduates are serving as teachers, coaches, counselors, and administrators in schools across the United States.

## FACULTY

Teaching you is more than a job to our faculty — it's a mission. They are dedicated teachers, experienced professionals, and trusted mentors who invest time, energy, and ideas to inspire you and help you reach your highest potential. It's not just a degree. It's your future.

## ACCREDITED

NCATE accreditation means your Milligan degree is instantly recognized in Tennessee and the nation for its quality. In 2013, NCATE (National Council for Accreditation of Teacher Education) became CAEP (Council for the Accreditation of Educator Preparation) and Milligan is recognized as a CAEP approved provider. See [www.caepnet.org](http://www.caepnet.org).

## CHRISTIAN COLLEGE

Milligan is a Christian liberal arts college that encourages our students to be servant-leaders. Because of our emphasis on scholarship, community, and faith, students come from all over the world to experience our distinctively different approach to higher education.

# DEGREES

## GRADUATE STUDIES
