Milligan has formal Guaranteed Interview Agreements in place with:
Gatton College of Pharmacy (GCOP)
Mercer University of College of Pharmacy and Health Sciences (MUCOPHS)
Union University School of Pharmacy (UUSOP)

¹ May choose ECON 202 Microeconomics in Spring and switch MATH 213 Statistics to Fall

² Biochemistry is a required course (prerequisite) at MUCOPHS and strongly recommended at UUSOP; students applying to MUCOPHS should take CHEM 310 in place of general electives in this semester.

³ For MUCOPHS and UUSOP, the general elective in the junior spring semester must be a psychology or sociology elective
