<b>MINIMUM 128 NEEDED FOR GRAD</b>		<b>128</b>

This major works well with some teaching licensure programs; in the Language Arts major the intermediate level of foreign language is required and counts as part of the major. Every language arts major must take the ETS Major Field Test Literature in English II. The general education requirements included above correlate with licensure requirements. Other educational studies will be required for licensure, and middle grades licensure will require a ninth semester. This major also works well with a semester abroad.
