MINIMUM 128 NEEDED FOR GRAD		128

¹ Highly Recommended

² Students may choose COMM 103 Public Speaking (2 hr) if they have checked with their adviser to see if this fits with their post-bacc plans

³ Students may choose GNSC 101 Science in Your World (2hr) in place of a 2nd lab science course

⁴ It is vital that freshman math majors take Calculus. If they do not take Calculus, they will not graduate on time without summer courses
Depending upon a student's post-bacc plans, other courses may be required for admission to graduate programs, so CONSULT with your adviser
