Milligan College has a long tradition of athletic success — from the days when our basketball and football teams beat the likes of Duke and the University of Tennessee, to today when we successfully compete both regionally and nationally as part of the National Association of Intercollegiate Athletics (NAIA). In the last 10 years, Milligan's 24 intercollegiate sports has won more than 50 conference titles and made 60 national tournament appearances with 6 national champions.

The athletics program plays a key role in molding and shaping the college experience at Milligan. Not only do we want our athletes to succeed in their sport, we want them to succeed in life—to be CHAMPIONS of CHARACTER.

Our commitment to the college athletics program is evident in our facilities, additional scholarships, and recent additions to our program and athletics staff. Milligan's athletics program is quickly approaching 430 athletes.

The annual Greenwell-Aldridge Golf Classic, named for Milligan alumni Duard Aldridge and Dennis Greenwell, has raised more than \$400,000 over the last 24 years to help Milligan student athletes excel as CHAMPIONS of CHARACTER in life. It is a fun way for local businesses, alumni, and friends to support Milligan's athletics program.

Please help us reach our \$25,000 goal in honor of the tournament's 25th year! Consider a sponsorship gift for this year's Golf Classic. This is a great way to support Milligan's student athletes while enjoying a great day of golf at the Johnson City Country Club on June 17, 2019!
