

Milligan College
Course Schedule for IS-M
 All courses fully online

Fall - odd years	Spring – even years	Summer – even years
IS 175M – Computer Applications	IS 175M – Computer Applications	IS 175M – Computer Applications
IS 185M - Principles of Information Systems	IS 218M – Web Development	IS 305M – Database Management
IS 201M – Hardware/Software Fundamentals	IS 297M – Object Oriented Programming-C#	IS 420M – Networking/Communications
IS 211M – Programming Logic	IS 401M – Project Management	MATH 213M - Statistics
IS 230M – Information Assurance	IS 420M – Networking/Communications	
IS 305M – Database Management	IS 450M – Information Systems Design Capstone	
IS 310M – Enterprise Resource Planning	MATH 213M - Statistics	
IS 318M – JavaScript		
MATH 213M - Statistics		
Fall – even years	Spring – odd years	Summer – odd years
IS 175M – Computer Applications	IS 175M – Computer Applications	IS 175M – Computer Applications
IS 185M - Principles of Information Systems	IS 218M – Web Development	IS 201M – Hardware/Software Fundamentals
IS 201M – Hardware/Software Fundamentals	IS 297M – Object Oriented Programming-C#	IS 341M – Systems Analysis/Design
IS 211M – Programming Logic	IS 410M – Entrepreneurship: Theory, Process, and Practice	MATH 213M - Statistics
IS 330M - Forensics	IS 420M – Networking/Communications	
IS 332M – Ethics in Information Technology	IS 430M – Information Security	
IS 341M – Systems Analysis/Design	IS 439M – Security Intelligence	
IS 418M – Server Side Programming	IS 450M – Information Systems Design Capstone	
MATH 213M - Statistics	MATH 213M - Statistics
