- Finish your degree and/or add PreK-3 or K-5 licensure
- Child and Youth Development major
- Extensive field experience in teaching and classroom management
- 18-23 months, one night a week, one class at a time
- NCATE Accredited

REPUTATION AND SUCCESS

Milligan values the close relationships it has nurtured with over a dozen area K-12 school systems through its teacher education program. Thousands of our graduates are serving as teachers, coaches, counselors, and administrators across the U.S.

ACCREDITED

Milligan is accredited by NCATE, the National Council for Accreditation of Teacher Education (2010 Massachusetts Ave. NW, Suite 500, Washington, DC 20036; 202.466.7496), which means your degree from Milligan is instantly recognized throughout the country for its quality.

FACULTY

Teaching you is more than a job to our faculty — it's a mission. They are dedicated teachers, experienced professionals, and trusted mentors who invest time, energy, and ideas to inspire you and help you reach your highest potential.

CHRISTIAN COLLEGE

As a Christian liberal arts college, we encourage our students to be thinking and acting Christians. Students come from all over the world to experience our distinctively different approach to higher education.

Ranked tops in the nation for quality, affordability, and value.
