- Intern with experienced, highly qualified school counselors

GRADUATES

Our graduates are in-demand as practitioners and servant-leaders in the health sector. LPCs work in a variety of settings, such as private, institutional, community, Christian, military, or nonprofit.

AFFORDABLE QUALITY

Tuition is competitive and financial aid is available.

FACULTY

Our caring faculty are dedicated educators, experienced professionals, and trusted mentors who invest time, energy, and ideas to inspire you. Teaching you is more than a job to our faculty — it's a mission.

CHRISTIAN MISSION

Milligan prepares professionals who integrate their Christian faith, social responsibility, and knowledge and skills to contribute to a responsible and caring community.

ACCREDITATION

The Clinical Mental Health Counseling program (MSC) at Milligan University is accredited by The Council for Accreditation of Counseling and Related Educational Programs (CACREP) (1001 North Fairfax St, Suite 510, Alexandria, VA 22314; 703.535.5990).

*Visit milligan.edu/counseling for specific state licensure requirement information.
